## About Lanterna

Lanterna provides first class support to students in the IB, A-Level and IGCSE programs using a variety of proven and successful methods. We believe that every student, with the right support, can gain the confidence and motivation needed to succeed. Since 2004 we have worked passionately to inspire students and to show them what it takes to achieve their potential.

## In House Courses

If you would like to give your students a boost at any particular point of the year – whether that be during ‘back to school’ revision weeks or ahead of their mock or final exams – we bring study courses to you. We’ll bring our tutors to your school to give your students the added convenience of not needing to travel anywhere and ensure their time is spent efficiently and productively. Our priority is to be sensitive to the precise needs of each school, providing students with the opportunity to study as many subjects in as much depth as necessary.

Our typical model involves our well-tested method of intensive revision classes, giving students carefully structured, tailored teaching. In just two days students can cover the core syllabus of a given subject including applying their knowledge to exam questions. Our elite tutors bring enthusiasm and passion for the IB and their subject to ensure students stay motivated throughout the sessions.

## Why Lanterna?

Join coordinators from around the world who have chosen Lanterna to help motivate and inspire their students. We have a variety of options available that are proven to help students make progress and are proud to provide the flexibility to suit your needs through our **in-house courses**, online tutoring service, tailored study skills workshops or free motivational presentations.

**We are proud to have held in-house courses at some of the best international schools in the world, including...**

The British School of Brussels  
 Marymount International School in Rome  
 The International School of Stuttgart  
 Bavarian International School  
 International Community School of Zurich  
 Stockholm International School  
 International Community School of London  
 ABA Oman

and many more!

## Online Tutoring

We have experience providing a unique configuration of online support for schools across the globe.

Schools organise online tutoring for their students with our tutors for several reasons. Whether there has been disruption to a particular subject during the year, a student wants to study a course that can't be offered at your school or you simply want to give your students the best possible chance in their mocks or final exams, our tutors can help. Delivered on our online tutoring platform and scheduled to your convenience, our tutors are trained to cover any topic, assignment or exam. Students are able re-watch sessions, providing them with support that stretches beyond the sessions.

Whether you require webinars, group or solo sessions, Lanterna's online support can be delivered in various forms to suit each school's needs. Whatever stage of study your students are at, we have elite tutors ready to help out.

## Free Motivational IB Presentations

Every year our team visits over 200 schools across 5 continents, providing free inspirational presentations to students. Delivered by some of our most successful IB graduates from the perspective of someone who knows what it takes to survive it and succeed, our sessions give a fun and fresh perspective on life in, and after, the IB. Each session is tailored to support a different IB year group, from Pre-IB to DP2 students.

*Some feedback from co-ordinators...*

*"It was really perfect. Liam has a wonderful connection with the kids and they all enjoyed the presentations"*

*"The presentations were very well directed to the year group and the presentations were done very professionally by Fredrik! Thank you! I hope to get us booked into the August slot next year when Lanterna is visiting schools" in the region!"*

## IB & A-Level Study Skills Workshops

If you want to ensure that your students have the tools to succeed in their studies, our 4-hour study skills workshops are available to kickstart healthy study habits for your students. Tailored to wherever your students are in their diploma, the workshops are run by high-achieving IB and A-Level alumni and are informed by the collective experience of hundreds of tutors who have succeeded in these programs. Leaving the workshop, students depart with concrete steps to utilise specific study techniques to help them meet the demands of their program.

### Alumni Opportunities

Lanterna is growing and we're now on the lookout for elite IB alumni to join our tutor team. If you have any top-scoring IB alumni from your school that you think would be perfect for our team, then please let us know!

"I have had a few math HL tutors, but none are were as kind, competent and forward-thinking as those provided by Lanterna. Lessons are prepared in advance and specifically improve your weaknesses."

- Luca, Online Tutoring Student

"Lanterna is incredible. Within hours they had a first class qualified IB English Tutor for my daughter. My daughter had an assignment due and she achieved an A- with the guidance and careful tutoring of these amazing tutors."

- Cathy, Mother of Online Tutoring Student

"The tutors they find have been outstanding, being both knowledgeable in their DP subject and able to help students make good progress in what is often a fairly short, though intensive, time. Students and parents have been very happy. I can recommend Lanterna to any school wishing to give their DP students a valuable boost."

- Simon Taylor, Superintendent at ABA (former Head of Munich International School)

"Lanterna sent two Chemistry tutors to carry out an intensive one day revision session with our Higher Level and Standard Level Chemistry students. The tutors were confident, knowledgeable and well-prepared. Their recent experiences of the IB Diploma enabled them to give personal advice about study techniques and gave our students confidence that the tutors completely understood the course and its specific requirements. It was an excellent day; great value for money."

- Sarah, Deputy Principal at Parkside Sixth

"We have used Lanterna IB tutors for multiple subjects for the past 2 years and have been exceedingly impressed by each experience. Tutors are extremely knowledgeable, helpful and committed, and most importantly, available when you need them. In the relentlessly fast-paced world of IB deadlines, Lanterna tutors have been a guiding light providing clarity and confidence.!"
